ABSTRACT

The purpose of this directory is to assist migrant education programs in communicating with the appropriate migrant personnel from the regions and districts where Florida interstate students originate. The state of Florida will assist receiving state programs by sharing pertinent academic information for any student who is enrolled in another state. The first half of the directory covers: (1) Florida's regions and key personnel; (2) each region's school districts (counties); and (3) each region's migrant administrator, a contact person for sending and receiving information and a spring/summer/fall contact person if different than the regular school year. The second half of the directory lists Florida school districts by area and provides a map of Florida illustrating the areas. This section also lists all cities in Florida and corresponding school districts (counties). Also provided is a toll-free number for the Migrant Service Center (Florida) that assists educators who have been unable to locate information about migrant students through directory contacts. (LP)

IN THE EVENT THAT YOU ARE UNABLE TO GET IN TOUCH WITH THE APPROPRIATE DISTRICT LEVEL PERSON IDENTIFIED IN THE DIRECTORY, THE STATE OF FLORIDA HAS A BACK-UP PLAN. A MIGRANT SERVICE CENTER HAS BEEN ESTABLISHED (WITH AN 800#) TO ASSIST YOU IN THE EVENT THAT YOU HAVE REACHED A DEAD END.

MIGRANT SERVICE CENTER
1207 E. RENFRO ST.
PLANT CITY, FL 33566
